Capacity)	

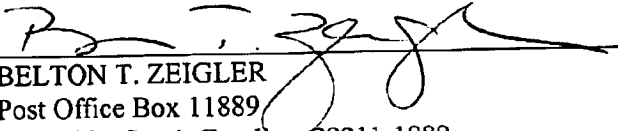

South Carolina Electric and Gas ("SCE&G") respectfully moves pursuant to S.C. Reg. 103-840 for an order from the South Carolina Public Service Commission ("Commission") to extend the time for filing of briefs and proposed orders in the above referenced Docket to December 19, 2005. On October 26, 2005 at the conclusion of the evidentiary hearing in Docket No. 2005-191-E, Chairman Mitchell ordered that briefs and proposed orders must be filed on December 5, 2005. In light of the intervening Thanksgiving Holiday and the delay in obtaining the transcript from the evidentiary hearing, SCE&G respectfully requests the Commission to issue an order to extend the time in which to file briefs and proposed orders by fourteen (14) days to December 19, 2005.

SCE&G has consulted with counsel for Carolina Power and Light d/b/a Progress Energy Carolinas, Incorporated, Duke Power a division of Duke Energy Corporation, New South Energy, LLC, and the Office of Regulatory Staff (ORS), each of whom has consented to the extension.

SCE&G's attempts to reach counsel for LS Power Associates, L.P. have been unsuccessful. Nonetheless, counsel for the majority of the parties to this Docket have agreed to the extension of time.

WHEREFORE, for the reasons stated above SCE&G respectfully requests the Commission grant this Motion and issue and order in Docket No. 2005-191-E extending the time to file briefs and proposed orders to December 19, 2005.
